Thank you for being a Giving Angel this holiday season!

Included are your angels for your Giving Tree. If you should have any questions or need further information, please call our office at 937-438-5039.

Due to economic circumstances this year we ask that you follow these guidelines. We have provided you with angels for each child. If you would like to go beyond this limit please address the household needs of the family in the form of an additional care package or a gift card for a grocery store that could be used for their holiday dinner. (Should you choose to do a Kroger Gift Card we ask that you stop by our office or ask that we mail to you one of our fundraising cards so that 4% of your purchase is donated to Hannah's Treasure Chest. For more information regarding this program please call our office.)

Please note the reason we are asking that you limit your gifts to the angels provided also has to do with our distribution centers. It is very difficult to explain to one family why they have received only 4 gifts when another may receive many more. This helps us to keep all of our families on an even surface. Thank you for understanding.

Please attach the angels provided to the wrapped gift as this ensures that the right child receives the correct gift.

Gifts are due to our office no later than December 10th. We will be open Monday – Friday during the weeks of December 1st and 8th for your convenience.

Merry Christmas from our family to yours!
