Thank you for being a Giving Angel this holiday season!

Below is the profile for your child/family. If you should have any questions or need further information please call our office at 937-438-5039.

Due to economic circumstances this year we ask that you follow these guidelines. Please limit your gifts to 4 wrapped presents for each child. If you would like to go beyond this limit please address the household needs of the family in the form of an additional care package or a gift card for a grocery store that could be used for their holiday dinner. (Should you choose to do a Kroger Gift Card we ask that you stop by our office or ask that we mail to you one of our fundraising cards so that 4% of your purchase is donated to Hannah's Treasure Chest. For more information regarding this program please call our office.)

Please note the reason we are asking that you limit your gifts to 4 per child also has to do with our distribution centers. It is very difficult to explain to one family why they have received only 4 gifts when another may receive many more. This helps us to keep all of our families on an even surface. Thank you for understanding.

Please mark each wrapped package with your child's name. Place their ID number on the back of the tag (this way they cannot see it, but we can verify that the correct gift is going to the correct child).

Gifts are due to our office no later than December 10th. We will be open Monday – Friday during the weeks of December 1st and 8th for your convenience.

Merry Christmas from our family to yours!
