Hannah's Treasure Chest is a registered 501(c)3 nonprofit.

Hannah's Treasure Chest, a respected children's charity in Centerville, OH, enriches the lives of children in need by providing clothing, books, toys, diapers and other essential items through a network of partner agencies in Butler, Greene, Montgomery and Warren counties. Additional programs include Brighter Smiles dental kits, Beds for Babies and Giving Angels.

Since 2001, Hannah's Treasure Chest has maintained a warehouse of donated clothing, infant/toddler equipment and other items to respond quickly to client requests. When a partner agency identifies a child in need, Hannah's Treasure Chest provides essential items to the agency, which in turn delivers them to the child.
