Hannah's Days Out in the Community

Staff and volunteers from Hannah's Treasure Chest volunteered recently at Centerville Washington-Township Park District (CWPD) for the first of their annual Hannah's Days Out volunteer adventures.

On June 14, the HTC crew visited CWPD's Kennebrook Nature Center to clean the Nature Nook and plant bee-friendly flowers in the area. Unfortunately, Mother Nature did not cooperate with the outdoor plans, so the crew went to work preparing the Nature Center for CWPD's summer programs. After giving the Nature Nook a thorough cleaning, the crew visited Archer's Tavern for lunch.

The following Wednesday, the crew visited East End Community Services (EECS), one of HTC's partner agencies. The mission of EECS is to enrich the Twin Towers community with after-school programs, grocery distribution, job counseling, and other services. After touring the main facility, half of the group then helped prepare a mailing, while the other volunteers painted indoors or beautified the planters and bee garden outside of the facility.

The group will continue their Hannah's Days Out with visits to Crayons to Classrooms on July 19 and The Foodbank of Greater Dayton on July 26.

"Hannah's Days Out helps our team connect in a new way with our partner agencies and other nonprofits in the area," said HTC's Marketing Communications Coordinator, Leslie Marsh. "We enjoy working together to lend a helping hand to nonprofit missions that make the Miami Valley such a great place to live."

Board News

Paul Robinson Elected 2017-2019 Board Chair

Paul Robinson, Chief Deputy Treasurer of Montgomery County, has been elected as 2017-2019 chair of the board of directors for Hannah's Treasure Chest (HTC). Robinson also serves on the organization's finance committee and most recently served as board secretary. He has been a strong supporter of the organization since his 2014 involvement through Leadership Dayton. Robinson succeeds Dr. Stuart Merl, chairman of the board and retired oncologist with Kettering Cancer and Blood Specialists, who held the chair position for two full terms over the past 5 years.

"The Board's work only complements the remarkable energy of the volunteers and the staff and so I'm honored to be entrusted with this leadership role at Hannah's Treasure Chest. I look forward to building upon Dr. Merl's accomplishments in strengthening the organization to keep pace with the community's increased needs."

Welcome New Board Members!

Hannah's Treasure Chest is proud to welcome new board members Rick Valencia and Shari Mickey-Boggs!

Rick volunteered with HTC for over a year before being invited to join the board, and Shari was proud to accept an appointment through Leadership Dayton.

Chip In for Children 2017 Golf Scramble

Thanks to everyone who "Chipped In for Children" on June 9! We were proud to have such an enthusiastic group of golfers participate to enrich the lives of children in need. Thanks to all involved, **the event raised over \$9,000 to support the mission and operations of Hannah's Treasure Chest!**

Special thanks to our sponsors and donors, as well as to the crew at Heatherwoode Golf Club. Based on the chatter in the clubhouse, it was clear everyone enjoyed the morning donuts provided by **Bill's Donuts**, the coffee & snacks provided by **Sheehan Brothers Vending** and **MikeSells**, and the delicious BBQ lunch sponsored by **PayProTec Ohio**. Please help us thank our generous supporters anytime you do business with them!

We also want to thank our crew of volunteers, board, and staff members whose hard work made the day special! Our last-minute call for extra volunteers was answered by crews from **101 Mobility**, **Colletti Motorsports**, **Green & Green**, **Lexis Nexis**, and **WPAFB** who managed on-tee games all over the greens. Thank you all!

As you know, our care packages of children's clothing, shoes, baby equipment, diapers and hygiene items are provided at no cost to local families in need, allowing them to dedicate their limited resources to other basic needs, such as food, housing, transportation and child-care. **The funds raised by your participation in this year's event will allow us to continue our vital mission of enriching the lives of children in need.**

Thanks for "Chipping In"!

Volunteer of the Year Shirley Oglesbee and HTC Executive Director Sarah Williams

Congratulations Volunteer of the Year: Shirley Oglesbee

Shirley began volunteering at HTC in April, 2012, and is very dedicated to the mission and the other volunteers. As a lead volunteer in the intake room, Shirley inspects clothing donations as they are dropped off. In addition to volunteering at HTC, she enjoys making and mailing birthday cards to the sick-and-shut-in members of her church. Evidence of her green thumb can be found in her lush yard as well as the beautiful flowerbeds she nurtures here at HTC.

Our volunteers are passionate about sports, and Shirley is one of our most dedicated Ohio State fans! She also likes the Green Bay Packers, Pittsburgh Steelers and supports her grandchildren with their sports endeavors at Centerville local schools. "It's more fun when they win, but that's the chance I take!" she states.

Shirley helps gather the volunteer crew to the lunch table each day by ringing the lunch bell. For those of you still questioning if you'd like to volunteer, Shirley says, "You will love it!"

- * Community Fund of Kettering
- * Levin Family Foundation
- * Liberty Center Foundation
- * PNC Foundation
- * Warren County Foundation

Congratulations Student of the Year: Trey Crampton

Trey has been volunteering at HTC just over 1 year. Because Trey's family had been involved with the organization for years, HTC seemed like a natural fit when he began looking for volunteer opportunities. Trey brightens the volunteers' day with his smile and willing attitude. They are also grateful that he can assist with the heavy lifting!

Trey is attending Wright State University and plans to graduate in Spring 2019. Besides volunteering or doing school work Trey enjoys spending time with friends.

A Hand UP for a Single Mom of Twins

"Recently another Vincentian and myself visited a young mother and her 5 year old twin sons. She had recently divorced, lost everything including her job. She is trying to get her home reestablished for her and her sons. She was in need of everything, including clothes and toys for her sons. We made a request to Hannah's Treasure Chest.

"In three days, I received a call that our items were ready for pick up. We delivered the bags and the boys immediately began playing with the little cars. The mother hugged us and was so appreciative.

"HTC really gave this family a positive boost. The mother is in a job training program, which will also helped them become more secure. It is a blessing to have Hannah's Treasure Chest as a resource for our families in need. You do a wonderful service for our community. Seeing the joy in the children's eyes is priceless."
