OUR HISTORY

HANNAH'S TREASURE CHEST was founded in 2001 by Angela Addington when she recognized a definite need for children's items within non-profits in the Dayton Region. With no other resource, Angela and her friends began collecting and distributing children's items in their spare time. Collection and donation requests became so numerous that a formal organization was needed. With the help and assistance of LexisNexis and the support of the community, Hannah's Treasure Chest was born and continues to expand its operations and reach into the community.

HANNAH'S TREASURE CHEST

YES, I WOULD LIKE TO HELP ENRICH THE LIFE OF A CHILD IN NEED.

WHAT WE DO

Hannah's Treasure Chest responds to the needs of children in the Miami Valley region by providing them with clothing, furniture, toys, books and other essential items. Our 8,000 square foot facility serves as a highly efficient clearinghouse for this purpose.

To maximize the effectiveness of our outreach, we collaborate with respected social service agencies in the Miami Valley. When a partner agency identifies a child in need, we provide essential items to the agency. They, in turn, coordinate delivery to the child.

Hannah's Treasure Chest maintains a bank of clothing, furniture, and other essential everyday items. This enables us to readily respond to the needs of over ten thousand local children and families. Since we are a largely volunteer organization, much of our budget goes directly to helping children and families in need.

PARTNER AGENCIES

To maximize the speed and effectiveness of our outreach, we closely interact with more than 50 social service agencies in the Miami Valley region, including:

Family and Children First Council
Help Me Grow
United Health Services
Life Resource Center
Head Start
St. Vincent de Paul Society
Area Educational Services Centers

HANNAH'S TREASURE CHEST'S GROWING LIST OF PROGRAMS

Blankets And Bears

Volunteers at Hannah's Treasure Chest lovingly hand sew much needed blankets and stuffed toys for babies. This project grew out of a continual need for such items, identified by volunteers who assemble our care packages. This program continues to grow as additional needs are recognized, and now includes dolls and pillowcases.

Brighter Smiles

Brighter Smiles provides age appropriate dental hygiene kits to all children receiving care packages. Proper oral hygiene is promoted through educational literature provided in each kit.

Gap Fund

This program uses monies donated to Hannah's Treasure Chest from charities, individuals and organizations. GAP enables us to purchase items that are missing or in short supply in our inventory, yet are urgently needed by a child.

Giving Angels

During the holidays, thousands of gifts are donated through giving trees in the community as well as corporate and individual sponsorships. Each hand wrapped gift is given to delighted children who may otherwise have to do without the spirit of giving.

HOW WE ACQUIRE ITEMS FOR CHILDREN

Hannah's Treasure Chest's inventory depends upon donations of new and gently used children's items from individuals, organizations and local corporations. We accept donations of almost everything a child uses, wears or plays with in infant through children's size 18.

Hannah's Treasure Chest also receives donations daily from retail establishments, businesses, consignment shops and individuals. We host a variety of events with the assistance of civic organizations, day care centers, schools, churches, youth groups and scout troops. We fill needed inventory gaps through funds provided by charities, individuals, grants, foundations, and corporations.

VOLUNTEERING WITH HANNAH'S

Helping Hands

Our volunteers are committed to the mission of Hannah's Treasure Chest through the many opportunities available to give back to the local community. Each day is different and can include sorting and shelving donations, cleaning or maintaining equipment and toys, filling requests from our clients, as well as interacting with donors and fellow volunteers. The hours are flexible with an extremely friendly working environment. We are truly a family of volunteers.
